REGISTER

Create an account by visiting myhero.com/audio and clicking on Register.

The registration page asks for relevant information such as your name, grade, school, and email address. This information is only used to contact users when their audio is featured on our site, and will not be given to any third party. Students may use a school contact or email address, rather than their own, in the requested field.

Teachers and after-school program instructors using this project in their classroom should ask all participating students to identify the name of the school or organization in the requested "organization field" on the registration page.

GUIDELINES FOR CREATING YOUR AUDIO

Record your **original** music, story, poetry, news report, interview or commentary in an **Mp3 format**. **The file size must be less than 50MB.**

MY HERO will not exhibit any audio that promotes hatred, violence or prejudice.

MY HERO will not knowingly exhibit any audio that has been plagiarized or reproduced from another website or from any other source.

All audio published on MY HERO must be appropriate for all age viewers, including children.
